AMENDMENT AFTER FINAL REJECTION

Sir:

In response to the Official Action mailed August 29, 2001, applicant requests that the above-identified application be amended as follows.

IN THE CLAIMS:

Please cancel claims 38-44, 55-57 and 61-70 without prejudice.

Please amend claims 37, 54, 71 and 72 as follows:

37. A method for first line treatment of type 2 diabetes, in a drug naive human patient, which comprises administering to a drug naive human patient in need of treatment, as first line therapy, a low dose of a combination of metformin and glyburide, wherein the metformin in said low dose combination is administered in a daily dosage in an amount within the range from about 160
